skills

- **Programming Languages:** C++, JavaScript, TypeScript, Python, Dart, C#, SQL
- **Frame-Workes:** ExpressJs, NestJs, REACT, FastAPI, Angular, Flutter, Flask, .Net
- **Databases:** SQL (Microsoft SQL Server, MySQL, PostgreSQL), NoSQL(MongoDb), Redis
- **Tools & Deployment:** Git, GitHub, Docker, Kubernetes
- **Security:** OAuth 2.0, JWT, OWASP, eWAPT, eJPT
- **UI/UX:** Adobe XD, Figma, Photoshop, Illustrator
- **Problem-Solving:**
- **Soft Skills:** Problem-Solving & Decision-Making Skills, Communication Skills
- **Languages:** Arabic (Native), English (Fluent), German (Intermediate)

Profile

- **Who I am:** An innovative Full-Stack and Cross-Platform Developer. I bring an advanced problem-solving capabilities to modern software engineering.
- **My approach:** I focus on delivering high performance solutions by writing clean, maintainable code. By combining efficient architectural patterns, I ensure that complex systems are both robust and scalable.

Education

Military Technical College	Present
• Ai in Health Care Master	
ITI - Information Technology Institute	Oct 2025 – Jul 2026
• 9-Month Diploma, Mobile Development (Cross-Platform), Smart-Village	

Education

Military Technical College	Present
• Ai in Health Care Master	
ITI - Information Technology Institute	Oct 2025 – Jul 2026
• 9-Month Diploma, Mobile Development (Cross-Platform), Smart-Village	
Al-Azhar University Cairo	Mar 2019 – Oct 2025
Bachelor of Pharm-D Faculty of Pharmacy	

Freelance Projects

Ahdalbaraka Limited

Full-Stack Web-App Platform — 2026

A comprehensive digital logistics and business services platform facilitating international shipping, machinery marketplaces, and SME project management.

[Live Video](#)

Baraka-Partners

Full-Stack Web-App Platform — 2026

A Dynamic Admin Dashboard & Landing Page dual-component system featuring a high-conversion landing page and a robust management panel for real-time content updates.

[Live Video](#)

Projects

GraphQL Social Media API with WS Redis Caching and S3 Storage

Back-end

[Video Code](#)

E-commerce Mobile App

Cross-Platform Application — Flutter, Express, MongoDB

[Video Download APK Code](#)

Social Media Web App

Web Application — MEAN Stack, WebSocket's

[Video Code](#)

E-Commerce Web App - NTI Project

Web Application — MEAN Stack

[Video Code](#)

Examination Management System

Web Application — React, Express, Sequelize, SQL Server,MySQL

[Video Code](#)

Movie Ticket Booking System

Terminal App — C++ , OOP, File I/O

[Video Code](#)

Examination Management System

Desktop Application — C#, ADO.NET, MSSQL

[Video Code](#)

Hotel Management System

Desktop App — C#, .NET, EF Core, SQL Server

[Video Code](#)

Real-time Chat App

Web Application — Angular, NodeJs, WebSocket's

[Demo Code](#)

Courses & Certificates

- MEAN-Stack and Full-Web Application Developer –[NTI \(National-Telecommunication-Institute\)](#)
- Soft Skills: Problem-Solving & Decision-Making [EDRAAK](#)
- Communication Skills [EDRAAK](#)
- Applied AI for Healthcare Data ML, Imaging, NLP, LLMS –[Mahara-Tech](#)
- WebSocket Communications with Node and Angular –[LinkedIn Learning](#)
- Networks Fundamentals –[Mahara-Tech](#)
- Implementation of Computer Network Fundamentals –[Mahara-Tech](#)
- python programming –[Mahara-Tech](#)
- Linux - Bash Scripting –[Mahara-Tech](#)
